Order Dismissing Case

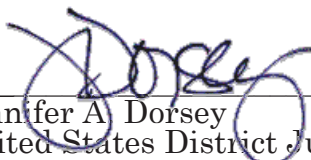

10 In this mixed-petition case, I previously gave petitioner Robert Smith two
11 options: (1) dismiss the unexhausted grounds in his petition and proceed with the
12 exhausted grounds, or (2) dismiss the case and return to state court to exhaust the
13 unexhausted grounds.¹ Smith evidently chose the second option and now declares
14 that he wishes to dismiss this case.² The dismissal is without prejudice, and I make
15 no determinations regarding potential state-court or federal-court procedural bars.

16 Accordingly, IT IS HEREBY ORDERED that this case is **DISMISSED**
17 without prejudice.

18 IT IS FURTHER ORDERED that a certificate of appealability is **DENIED**
19 because reasonable jurists would not find my decision debatable.

20 The **Clerk of Court** is directed to **CLOSE THIS CASE**.

21 DATED: October 30, 2017.
